This figure is a detailed topographic map of the Hessigkofen area in the Canton of Solothurn, Switzerland. The map is overlaid with a network of control points (marked with crosses) and vectors (red arrows) representing the differences between these points before a correction process. The map includes various geographical features such as roads, fields, and buildings. Key locations labeled include Hessigkofen, Brunnhöset, and Mühledorf (SO). The map also shows contour lines and a grid system. A legend in the top-left corner explains the symbols used, and a north arrow is located in the bottom-left corner. The map is titled 'Hessigkofen' and 'Differenzen der Kontrollpunkte vor Entzerrung'.
